Ben:

Regarding your inquiry on the one-year death gratuity provision for deaths in line of duty for Foreign Service personnel in the State Authorization bill, CIA was not asked for comments. Also, it is too late to have CIA specifically covered. The measure passed the Senate and the House must now act.

I would suggest, however, that if the provision becomes law, that you consult OGC for a reading as to whether the Agency can avail itself of the provision of the law. We have this authority under subsection 8(a)(2) of the CIA Act of 1949. It requires the approval of the Director.
